Dear Sir:

Listed on accompanying Form PTO-1449 are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98.

Applicants have listed publication dates on the attached PTO-1449 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present

patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith.

The references cited in this Supplemental Information Disclosure Statement first came to Applicants' attention in the last ninety days, therefore it is believed that no fee is due. In the event this is in error, any required fees may be charged to Deposit Account No. 23-0035.

Respectfully submitted,

Lucian Wayne Beavers
